Kiztopia™

FOR 6 TO 12 YEARS OLD

I CAN BE A CHANGE MAKER

Kiztopia Marina Square
06 & 07 DEC, 10AM – 4PM

Power up the world with electrifying hands-on projects. Learn how to create electricity and grasp energy-saving concepts in just 2 days!

STEAM ACTIVITY WORKSHOP
BY EDLAB

Introducing kids to electricity and circuits through innovative hands-on experiment such as homopolar motor and a mini circuit board - Makey Makey, which turns into a fun music maker.

ROBLOX WORKSHOP
BY SKILL SAMURAI

Using coding platform - Roblox Studio, immerse young minds into the creative process of building their own energy-saving virtual city using Roblox controls and functions.
