About Kiztopia

Founded in 2019 with its flagship outlet at Marina Square, Kiztopia is Singapore’s mega-indoor kids’ edutainment playground that won the ‘Best Attraction Experience’ award at the Singapore Tourism Awards in 2021. Incorporating its eight unique IP registered characters into its play areas, the play haven offers a holistic range of customised programmes and activities for children, and provides an all-encompassing environment for children to ‘Play to Learn, Learn through Play’.

Following its success, Kiztopia expanded with more outlets under its sub-brands Kiztopia Club and Bouncetopia, and also ventured into the offsite family entertainment event space with Jumptopia™. Kiztopia has also raised its game by collaborating with hotels such as Pan Pacific Hotel to create a new family staycation experience using Kiztopia characters, as well as successfully hosted the inaugural Tri-Factor Kids Run. From its outlets to the various events, each is specially designed and curated to support the holistic development of children.

Kiztopia has since expanded its footprint to the region with the opening of its first overseas flagship outlet in Hong Kong and is further strengthening its foothold in Hong Kong with the opening of a second outlet in Q4 this year. It continues its global expansion with its first outlet in Thailand slated to open at the end of 2023. Kiztopia’s popular bouncy castle event, Jumptopia™, has also been held in Kuala Lumpur, Bangkok, Hong Kong and Macau. For more information, please visit www.kiztopia.com
